

Maths Teacher

Job Description

Monkton is seeking to appoint an inspirational full time teacher of Maths from September 2019. The opening would suit a candidate seeking their NQT year or teacher looking for their first move into a high performing department.

The successful applicant will share our vision for fostering a love of lifelong learning, both for students and teachers. He or she will be passionate about delivering an excellent holistic education and have a commitment to individuals, seeing this as the basis for students to flourish. He or she will see education as lighting fires rather than filling pails, and appreciate the contribution that co-curricular activities make to the learning process as well as the vital part that a proactive pastoral approach plays in a student's development. A willingness to work collaboratively, and get fully and energetically involved in the co-curricular and pastoral life of the School would be vital.

Please note Monkton Combe School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post including checks with past employers and Disclosure and Barring Service.

General Information for Candidates Applying for Posts

Monkton places thinking differently at the heart of its strategic vision. We believe that self knowledge, learning from mistakes and focusing on individuals achieves remarkable results. Teachers who are creative and seek to innovate will thrive here. We are already one of the country's best known smaller boarding schools and pride ourselves on our size meaning you can really get to know all of the pupils and serve as a full part of our community. We are a Christian school with worldwide connections and interests, and have a strong reputation for pioneering and proactive pastoral care.

Monkton is seen by parents as a caring community which fosters a balanced education, as well as encouraging the pursuit of individual excellence. It is a friendly school where pupils develop their personal values in the context of a community where heritage, creativity and adventure are positive features. The expression of the School's ethos can be found in many fine examples of Monktonians achieving positions of leadership in the church and in other areas of life both nationally and internationally.

A single board of Governors oversees the entire School (Pre-Prep, Prep and Senior) and Monkton is a registered charity and is incorporated as a company limited by guarantee. The Principal acts as both the Head of the Senior School and as the CEO of the group of schools.

It is expected that candidates for teaching posts will support the Christian aims and educational philosophy of the School. Staff are warmly invited to attend Chapel, which is at the centre of the School's life, and to become involved in the more informal elements of Christian life in the School.

Confidence, integrity, humility and service are the values that we aim to live out and inspire in our students, and we are eager to educate character, as well as intellect. It is expected that all full-time members of the Common Room will be committed to the concepts and challenges of the boarding ethos of the school, wishing to contribute widely outside the classroom within pastoral, sporting and other co-curricular spheres. Many part-time staff also choose to add wider co-curricular and pastoral involvement to their teaching role.

Monkton starts with a proactive pastoral environment to develop academically strong enthusiastic students, and our innovative pastoral tracking ensures that we not only know our students well but can help them to know themselves well too.

Academic endeavours are taught within the context of developing positive attitudes to learning rather than achieving certain grades in exams. We are increasingly and explicitly describing learning as a process which is common to both curricular and co-curricular pursuits, so that the rugby coach, orchestral conductor and subject teacher all share the same learning aims.

Our staff CPD runs along similar principles with a focus on imagination, craftsmanship and evidence-based practice. Within this context we are committed to both providing all staff (teaching and non-teaching) with a peer coach with whom they can reflect on their practice, and training all staff in executive coaching techniques.

The school provides a modern and broad education for a diverse intake of boys and girls on a site which has developed significantly over recent years. The Senior School enjoys a very attractive rural location in the Monkton Combe valley some two and a half miles south of the historic city of Bath. Nearby are Monkton Prep and Pre-Prep each with separate Heads but part of the same foundation.

The Principal is a member of the Headmasters' and Headmistresses' Conference (HMC) and the School participates in the 20-strong 'Rugby Group' of independent boarding schools. At present there are about 375 pupils (boys and girls aged 13-18) in the School, of whom about three-fifths are boarders. The School has been co-educational in the Sixth Form since 1970 and fully co-educational from 1992, with a current ratio of boys to girls of about 60:40.

Scholarships are offered at years 9 and 12, and the School offers fee remission to a limited number of clergy and missionary families. The school also offers a fee remission package for children of staff in eligible positions. Admission into the school in year 9 is partly assessed by our unique assessment day, where year 6 students participate in group activities intended to evaluate aptitudes which Prof Bill Lucas at the University of Winchester has called the '7 Cs': creativity, collaboration, confidence, craftsmanship, communication, commitment and curiosity.

In the Senior School, the Principal is supported by a Senior Management Team consisting of the two Deputy Heads (Pastoral and Learning), Assistant Heads Academic, Co-curricular and Welfare, Senior Houseparent, Director of Digital Learning, Director of External Communications and the Bursar, who oversees all the support staff. There are six Boarding Houses, three for boys and three for girls. Each House also contains day pupils. All full time members of the teaching staff act as a Tutor to a small group of pupils whom he or she sees one-to-one on a regular basis. Tutors are responsible for overseeing every aspect of the learning and personal development of his or her tutees. All full-time members of staff are attached to Houses for duties and pastoral oversight.

Recent academic results have been very good. This past year, 81% of A Level grades were A*, A or B, 51% were A* or A, and 21% were A*. The proportion of GCSE grades A* - A over recent years has been between 60 and 70%. Over the last 3 years, 13 of the 14 Oxbridge applicants have successfully taken up their places, largely in STEM subjects. This amounts to about 6% of the Year 13 cohort.

The main sports are rugby, hockey, cricket and rowing for boys, and hockey, netball, tennis and rowing for girls. There is a choice of other sports for older pupils. There is a wide range of activities and societies. The School also has a strong Christian Union, Combined Cadet Force, and Conservation and Community Service groups.

The School buildings are in many cases converted houses, formerly privately owned, in the village. There are also many purpose-built teaching areas and extensive playing fields; the School has two boathouses on the River Avon. Some staff live in the valley in school accommodation. There has been a major programme of rebuilding and improvement in recent years: a £4.5 million extension and rebuilding of Maths and Science Departments was completed during 2008, a completely remodelled £3.5m Music Department opened in February 2012, and a significant enlargement and refurbishment of the Art and DT Departments in 2015. Current projects are focusing on the refurbishment of boarding accommodation, and a ten-year strategic estate review was recently commissioned.

The school was recently rated 'excellent' in both categories (pupil personal development and pupil achievement) of the ISI inspection framework.

The Maths Teacher Post

The successful applicant will share our vision for fostering a love of lifelong learning, both for students and teachers. He or she will be passionate about delivering an excellent holistic education and have a commitment to individuals, seeing this as the basis for students to flourish. He or she will see education as lighting fires rather than filling pails, and appreciate the contribution that co-curricular activities make to the learning process as well as the vital part that a proactive pastoral approach plays in a student's development. A willingness to work collaboratively, and get fully and energetically involved in the co-curricular and pastoral life of the School would be vital.

Where the successful candidate is an NQT, support through the induction year would be delivered by our highly experienced staff and overseen by the Independent Schools Teacher Induction Panel (ISTIP). The salary offered is in accordance with the Monkton Combe Teaching Staff Salary Scale and allowances.

In addition to teaching an academic timetable (with appropriate reduction for an NQT), all full time staff at Monkton are involved with two terms of sport (or equivalent - eg CCF, drama, community service), have a tutor group, supervise evening prep once a week in a boarding house, and run a co-curricular activity.

The Maths Department

The Mathematics Department consists at present of the Head of Mathematics and six mathematicians. The philosophy of the Department is to ensure that each individual student fulfils his or her true potential in an environment that is designed to inspire a love of Mathematics.

The A level syllabus is Edexcel and approximately 50% of the Sixth Form study for at least one A level in Mathematics. The Department has a strong profile and results are excellent. Students in Year 11 take Edexcel IGCSE after completing a two year course of study.

In Years 9 through to 11 there are typically four classes. In Year 9 this generally takes the form of a Set 1 class and three mixed ability classes. In Years 10 and 11 classes are arranged by ability. Students are encouraged to work at their own pace, with opportunities for high achieving students to undertake a programme of enrichment activities including taking part in individual or team UKMT challenges. STEP lessons are available for potential Oxbridge candidates. Currently a number of students are working through problems set by the Mathematical Olympiad National Mentoring Scheme for gifted mathematicians. Pupils who find Mathematics difficult are fully supported with extra lessons. At IGCSE all four sets will take Higher level, with the exception of one or two pupils in set 4 who may work towards the Foundation level.

The Department makes full use of the School's computing resources, and has digital projectors and interactive whiteboards to enhance classroom teaching. Other resources such as textbooks, mechanics kits and graphical equipment are continually reviewed and updated

Child Protection (Safeguarding) and Staff Code of Conduct and Behaviour Policy, including EYFS

Monkton takes safeguarding very seriously. To this end, all appointments are made subject to satisfactory DBS clearance. The interview will include questions about safeguarding children. Monkton's Child Protection (Safeguarding) Policy includes the following information:

The framework provided is an ordered, purposeful, happy and caring community. Pupils are encouraged to develop moral discernment. High standards of behaviour are expected and young people are asked to treat others with courtesy and respect. The School sets out to create a secure basis for living in community and to achieve a balance between thoughtfulness towards others and freedom for the individual to develop his or her own personality. Good pastoral care is central to the life of the School, through the Principal/Heads, Houseparents, Tutors, the Chaplain, the Medical Centre Sister and other members of staff.

Specific Objectives

1. To foster pupils' educational development through all areas of the curriculum so that their self-esteem is raised, enabling them to acquire skills, attitudes and coping strategies which will help them to make reasoned decisions based upon sound judgement and valid information.
2. To provide a variety of opportunities for discussion with their peers and teachers in which the ground rules of confidentiality, tolerance and trust are observed.
3. To teach problem-solving techniques, assertiveness skills and respect for themselves and for other people. To encourage them to be responsible members of the school community, who will develop into caring adults with regard to their families and to society.
4. To maintain links with parents and representatives of outside agencies.

These are set out in more detail in the policy 'Child Abuse/Protection' in this section of the Staff Handbook.

The full Child Protection document can be found [here](#).

Equal Opportunities Policy, including EYFS

The Equal Opportunities Policy Statement and Policy Statement on Harassment at Work are designed to implement the commitment of the School to Equal Opportunities. It is the responsibility of every employee to ensure his or her own conduct conforms to the expected standards and reflects these Policy Statements.

The aim of the Policies is to encourage harmony and mutual respect between individuals in order to promote good working practices with a view to maximising performance.

If these Policies are not implemented, then valuable talent and potential are wasted. Moreover, when unfair discrimination, harassment, bullying or victimisation take place they bring about a climate of fear, insecurity and poor work performance. As well as being unlawful, this affects morale. The School aims to comply with all relevant UK and European legislation.

Monkton Combe School has been registered as a school with a religious character by the DfES. As such the School is able to advertise for and appoint teaching staff who have specific Evangelical Christian faith that is central to the ethos and tradition of the School. In specific circumstances this authority enables positive discrimination in favour of Evangelical Christians.

It is vital that every employee understands his or her responsibilities. Equal Opportunities are taken very seriously by the School and wilful failure to apply the Policies or evidence of discrimination, harassment, bullying or victimisation will result in disciplinary action which may include dismissal.

The Equal Opportunities Policy Statement

1. The School values the individual contribution of people irrespective of sex, age, marital or civil partnership status, disability, sexual orientation, gender reassignment, race, colour, religion or belief, ethnic or national origin. The School is committed to ensuring that no applicant for employment or member of staff is disadvantaged by conditions or requirements which cannot be shown to be justifiable. This applies in particular but not only in relation to recruitment and selection, promotion, transfer and training opportunities, benefits, terms and conditions of employment, grievance and disciplinary procedures, termination of employment including redundancies, and conduct at work.
2. All employees should be treated equally with dignity and respect. The School will use its best endeavours to provide a working environment free from unlawful discrimination, harassment or victimisation on the grounds of sex, age, marital or civil partnership status, disability, sexual orientation, gender reassignment, race, colour, religion or belief, ethnic or national origin, pregnancy or maternity.

3. The School recognises its legal obligations, including those under the Race Relations Act, Sex Discrimination Act, The Equal Pay Act, the Equality Act 2010 and the Part Time Workers legislation.
4. The School is designated as a School with a religious character by the DfES. This may be taken into account when recruiting staff when appropriate to do so. Notwithstanding this, the School undertakes to review periodically its selection criteria and procedures to maintain a system where individuals are selected, promoted and treated on the basis of their merits and abilities.
5. The principles of non-discrimination and equality of opportunity also apply to the way in which staff must treat visitors, pupils, parents, suppliers and former members of staff.
6. The School will not tolerate acts which breach this Policy and all instances of such behaviour or alleged behaviour will be taken seriously, fully investigated and will be subject to disciplinary procedures if found to be discriminatory. The School further seeks to give all employees equal opportunity and encouragement to progress within the School.
7. The School promotes tolerance of each other and respect for each other's position within the School community, and provides positive images and role models, whilst seeking to avoid prejudices and raise awareness of related issues.
8. If an existing employee becomes disabled the School will make every effort to retain him or her within the workforce whenever reasonable and practicable with reasonable adjustments to assist in overcoming or minimising the difficulties. This may need to be in conjunction with a medical advisor.
9. Whenever reasonably practicable to do so, the School will install in existing premises facilities for people with disabilities. Whenever the School invests capital in new or refurbished premises, every practicable effort will be made to provide for the needs of staff and pupils with disabilities.
10. The School undertakes to distribute and publicise this Policy Statement to all employees and elsewhere as from time to time appropriate.
11. Any employee who believes that he or she may have been subjected to treatment which breaches this Policy may raise the matter through the grievance procedure.

Policy statement on harassment at work

1. The School believes that the dignity of every person must be respected. Harassment of colleagues or pupils is unlawful and unacceptable and will be regarded as a disciplinary offence, which, in serious cases, may be classed as gross misconduct, resulting in instant dismissal. The highest standards of conduct are required of everyone, regardless of seniority.
2. The School recognises that harassment may take many forms. It may be directed towards persons of either sex. It may relate to a person's ethnic origin, religion or belief, age, sex, sexual orientation, physical or mental attributes or some other personal characteristic.

3. Harassment may involve action or inaction, behaviour, exclusion, comment or physical contact that the recipient finds objectionable or offensive. It may result in the recipient feeling threatened, humiliated, intimidated, patronised, demoralised or less confident in their ability. Condoning such conduct may be harassment in itself. The test of harassment is, at least in part, subjective.
4. Examples of unacceptable conduct include:-
 - verbal abuse, or insulting behaviour
 - sexist or racist jokes, jokes about an individual's sexual orientation or jokes about an individual's physical or mental attributes
 - the display or circulation of sexually suggestive or racially abusive material
 - bullying, coercive, intimidating or threatening behaviour
 - the ridicule or exclusion of an individual for cultural or religious differences, on the grounds of sex or sexual orientation or on the grounds of disability or other protected characteristic
 - persistent teasing or constant unfounded criticism of the performance of work tasks
 - unsolicited or unwelcome sexual advances, including touching, staring or commenting
 - comments of a sexual nature about a person's appearance or dress
 - bribery or attempted bribery.
5. An allegation of harassment must not be made lightly. If it is found that an allegation of harassment has been made without foundation and maliciously, then this will also be regarded as a disciplinary offence and in serious cases may be regarded as gross misconduct leading to instant dismissal.
6. All complaints of harassment should be made to the appropriate manager unless the complaint is regarding this person, in which case the complaint should be to that person's superior. Reference should be made to the grievance procedure in the Personnel and Payroll Policies.

Statement to Prospective Parents

In line with the Equality Act 2010 and the stated protected characteristics in particular, we do not discriminate in any way regarding entry. For example the School does not treat disabled or prospective pupils less favourably for any reason related to their disabilities than it treats those to whom that disability does not apply. We welcome pupils with physical disabilities provided that our site can cope with them. However, the Senior School in particular is situated on a steep hill and whilst every effort has been made to make it as accessible as possible for wheelchair users, there are some areas where this is not feasible due to the topography. The School will always consider reasonable adjustments to admission arrangements to ensure that disabled pupils or prospective pupils are not placed at a substantial disadvantage in comparison with non-disabled pupils. We welcome pupils with special educational needs, providing that our Learning Support Department can offer them the support that they require. However, we advise parents of children with special education needs or physical disabilities to discuss their child's requirements with the Principal/Head before he or she sits the entrance exam so that we can ensure that we can make adequate provision for him/her. Parents should provide a copy of an Educational Psychologist's report or a medical report to support their request, for example for extra time or other special arrangements.

See also SEND policy for information relating to pupils.
